WINDING DOWN

The absolutely beautiful quiet of a Marion Harbor morning in October furnishes the back drop for these photos taken just off Barden's Boatyard. Not a ripple disturbs the still as the boating season enters its sweetest stage because the days are precious and few in the 1989 season. As the nights turn sharp and the leaves go gold, boatsmen savor the days on the water and store the experiences to warm the winter ahead.

Spokesperson Ms. Diane Perry outlined the four specific areas of concern that the association has made known to the Keller Company at open neighborhood meetings with Ron Davis, partner in the Keller Company. Ms. Perry sought the board's support in getting the company to provide solutions to the concerns. Ms. Perry said, "We are in support of this project, and we feel if it is done right, it can be of overall benefit to the town and Keller Company. We plan to continue our efforts to insure that it is done right."

The first major concern is the protection of our rights to a good clean water supply. The potential for significant negative impact to the quantity and quality of area well water, related to golf course water usage, has been stated clearly by, among others, the Keller Company's own geohydrologists in their DEIR Draft of Environmental Impact Report) and statements made by Dr. Sat D. Khanna (consultant hydrologist and hydraulic engineer) in his review of the same report. "We feel it is the responsibility of the Keller Company to mitigate this situation by paying for the extension of the town water line down to the end of Brant Beach Avenue and possibly to the end of Ocean View Avenue." The exact extent of this request will be determined by the results of further testing and studies. "We are asking town officials to support us in this endeavor, as well as with the three other concerns."

The Board agreed to support the associ-

ation's concern regarding the well water testing. Selectmen Chairman Bernard F. Talty said that if the State DEIR report is negative on wells, Keller couldn't proceed unless the problems are mitigated. He noted the report is due in January. Ms. Perry said their group has to go by projections and cannot wait for the final impact report.

Ms. Perry explained the Keller Company is willing to do a well water survey for interested homeowners in the area; such as gallons used per minute, depth of well and well testing. "We feel we should have the current data for later comparison."

Ms. Perry also said the Keller Company representative Ron Davis indicated the company will bring water closer to the pillars on Brandt Island Road if there are monies left from the $1.2 million agreement with the town for the water extension across the railroad bed to the development. The company has estimated $900,000 for the water lines to the development entrance. The company agreed, according to Ms. Perry, to seek two estimates - one for the water liens to the development; the second alternative to extend the lines further along Brandt Island Road. Ms. Perry commented the Keller Company has been very generous.

The second concern is the potential increased traffic hazards on the already dangerous S-curve of upper Brandt Island Road. Ms. Perry said she and Mr. Davis traveled the road several times to determine just where the problem was and how to

correct it. "We aren't saying eliminate the curves," she said in response to Chairman Talty's remark the police and fire departments feel the curve slows traffic. It was noted there are no statistics regarding the number of accidents on this section of the road.

The third concern is the specifications of plans for the main entrance to the project. Ms. Perry noted at the September 21 meeting with Mr. Davis several alternatives were presented on entrance roads. "We feel we can reach an agreement on this concern," she added.

The fourth concern is for the shellfish and finfish with the runoff of nitrates into the cove. "We just want you to be aware of the problems", Ms. Perry said and "hope you will support us."

Mr. Talty said the Keller Company will have to go to the Appeals Board for special permits for the golf course and for the clubhouse. Some of these concerns can be expressed at that time. It was noted the Keller Company has expanded its plans from a former snack bar to a 300 seat dining room in the clubhouse.

Selectman William F. Hubbard commented the Keller Company is a responsible company and "I feel sure they will look at all problems and will do all they can to solve them."

In other business, Selectmen:

MET WITH Paul Alves, Chairman of the Mattapoisett Band Committee, to discuss next year's budget for the town band.

Chairman Talty asked Mr. Alves to put together a budget request and the Selectmen will place it on the April election bal-

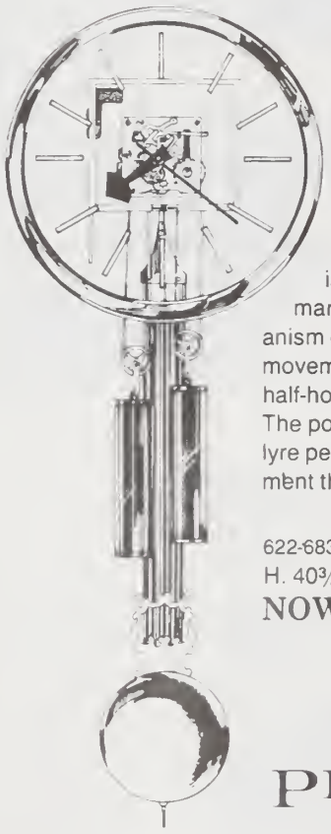
Contemporary Fascination



X Howard Miller

This clock combines the elegance of contemporary styling with a fascination for intricate movement.

The clear acrylic dial face is accented by a polished brass bezel and dial markers. The exposed mechanism operates a cable-driven movement that strikes on the half-hour and counts the hour. The polished brass weights and lyre pendulum further complement this most intriguing design.

lot as an override request. If passed, it will have to be confirmed at the May annual town meeting.

Mr. Alves said this year's budget figure of $4,500 (which was cut completely) will probably remain the same; nine concerts at $500. each concert. He explained that the Lions' Club paid $500 for one concert at the end of the summer. "The comments I received after that concert proved to me that people really want the concerts. The audience reaction was truly gratifying."

Mr. Alves asked if Selectmen felt the Arts Lottery Council could help out with funds. Selectmen suggested he ask the council. He also said he didn't feel "passing the hat" at concerts would bring in enough money. "We have to be sure of a set amount for the players before a concert."

RECEIVED COPIES of many letters from residents to the Planning Board expressing opposition to the "Water-Dependent Use District" as proposed by the Ketcham Associates in conjunction with the Planning Board.

Among the many letters was one from the law firm of Weston, Patrick, Willard and Redding representing 17 families in the Ned's Point area. Additional letters in opposition were received from Ms. Edith C. Crocker of Ship Street; Gordon Henderson, 4 Shipyard Lane; William M. Merck, Ned's Point Road; Louisa May Greeley, 36 Ned's Point Road.

The law firm's letter reads, in part: "My clients express strong opposition to any rezoning of the property occupied by the Mattapoisett Boatyard on Ned's Point Road. The proposed creation of a Water-Dependent Use District is not necessary for the 'perpetuation of such facilities' as suggested by Burk Ketcham and Associates. Any change in zoning would be to the detriment of the property owners in the surrounding R-30 District and would be an illegal use of 'spot' zoning. My clients also advocate expansion of the Site Plan Approval process described by Mr. Ketcham so that it will be applicable to changes in non-conforming commercial uses throughout the town."

NOTED the State Division of Marine Fisheries has granted permission to possess and relay seed and adult oysters from the Mattapoisett River and Eel Pond to Brandt Island Cove west of a line drawn north from the eastern most pier of Brandt Island Cove Marina to the "No Shellfishing" sign at the mouth of the northern creek. Not more than 1,000 bushels shall be transplanted and shall be completed by October 31, 1989.

Also, the Marine Fisheries has placed a management closure on the shellfish areas because of the lack of a completed sanitary survey as required by the National Shellfish Sanitation Program.

In the Mattapoisett area: "The waters and flats of Buzzards Bay north of a line drawn east at the south tip of Mattapoisett Neck and south of a line drawn east at Angelica Point and southeast of a line drawn northeast from the south tip of Mattapoisett Neck to Angelica Point".

VOTED to create three spaces at the town wharf next to the Ice Cream Slip for handicapped parking. Selectmen had felt two spaces would be sufficient; however, the State Architectural Access Board of the Executive Office of Public Safety

directed that three spaces were needed based on the total number of parking spaces at the wharf.

The Board also voted to create a designated area in front of the Public Library as handicapped parking spaces. It was noted users of the library have been having difficulty parking as cars have been parked there for weeks at a time. The Highway Department will make a curb cut in front of the walkway to the library.

ANNOUNCED the Town Hall will be closed Friday, November 10th, for Veterans' Day (Saturday, November 11). Employees covered under the Personnel Board by-laws will be eligible for either an extra day's pay at straight time or compensatory time off for Saturday. Due to the budget constraints, the employees will receive time off.

ACCEPTED THE RESIGNATION of Mr. James Joaquin from the Mattapoisett HOP Committee (Housing Partnership Committee). He will be unavailable evenings. Selectmen noted they will assume the duties of the committee for the present time.

RECEIVED AN ANONYMOUS GIFT from a taxpayer in the amount of $465.34 to be spent as determined by the Selectmen. A suggestion to replace the Indian sign outside the Town Hall will be considered with a decision to be made later.

Letter to the Editor

The special town meeting scheduled for 7:30 p.m. on October 17th has only one article. It proposes to turn over the Town Landfill to EAC Operations, Inc. This sister Corporation of SEMASS would operate the landfill, accepting up to 250 tons per day of outside trash, and closing and capping the landfill within 4 to 5 years.

EAC Operations, Inc. will realize gross revenues from tipping fees, over the four year period, of AT LEAST THIRTEEN MILLION DOLLARS! Their NET PROFIT, over that period, has been projected to be AT LEAST EIGHT MILLION DOLLARS!

Mattapoisett proposes to give this priceless profit-producing asset to EAC Operations, Inc. for nothing - NO RENT, NO USAGE FEE, NO SHARING OF THE PROFITS - NOTHING! And we lose our landfill within 4 to 5 years. IT WILL BE GONE - NEVER TO BE REPLACED.

What are the advantages to Mattapoisett? The Board of Health gets out from under the headaches of the landfill, and we save the cost of closing and capping. Estimated cost of capping is $800,000 - a drop in the bucket, considering the potential profitability of the landfill.

We should either negotiate a contract

LETTER TO BOARD OF SELECTMEN
AND BOARD OF HEALTH
TOWN OF MATTAPOISETT

Dear Neighbors,

I am fully aware of the problems of living within the constraints of "2½". However, we must not sell out any of the qualities of life which make living in Mattapoisett special. We must not intentionally do anything which could endanger the health of Mattapoisett residents in the future. Please consider each of the following comments very carefully as you make plans for the future of our landfill.

1. I commute to Boston every working day. I have been watching the trucks hauling refuse from Boston to SEMASS since the first week of operation at SEMASS. Many of these trucks are among the longest and tallest trailer trucks in use in eastern Massachusetts. The only way to fully appreciate the impact of these trailers on traffic is to travel behind them at dusk during a rain or snow storm.

4. The blunt truth is that

SOME OF THESE TRUCKS STINK REAL BAD.

And I don't mean just while they are right beside you. And I don't mean just on hot summer days.

5. We must assume that much of the out-of-town refuse would be of industrial origin.

HOW COULD WE POSSIBLY MONITOR THE CONTENTS OF THESE TRUCKS? IT WOULD BE AS EASY TO DELIVER SEVERAL HUNDRED POUNDS OF TOXIC MATERIALS IN ONE OF THESE TRAILERS AS IT WOULD BE FOR A MATTAPOISETT RESIDENT TO INCLUDE A PINT OF PESTICIDE IN A TRASH BAG.

6. Even at 5:30 a.m. on a cold dark midwinter morning you often know by the odor when you are passing the giant landfill on Route 24. That landfill must have to follow the same rules as ours. Who can guarantee that our landfill wouldn't smell like that?

SEMASS have been unhappy. Why should we expect to fare any better? Collecting on a performance bond would not bring back the quality of our ground water.

8. It is my personal opinion that if our Board of Health, and other appropriate persons, cannot inspect the operation or our landfill at will, without advance notice, anytime during its normal hours of operation, then the proposed contract does not deserve one minute of our consideration.

Letter to Residents

This letter is intended to inform the residents of Mattapoisett as to the status of the Town Landfill. As you are all well aware the Landfill has become a victim of the recent budget cuts forced on the Town because of cuts in State Aid and the failure of two override attempts by the Town at the polls. Unfortunately, the Board of Health has had to cut the operating hours at the Landfill drastically. This cut in hours was not the idea of the Board of health nor was it endorsed by them.

The Board of Health has a relatively small budget compared to other Town departments and the second round of cuts, which the Board was not invited to participate in, severely limited their ability to buy material and supplies for the Landfill.

I am working on a new system to insure that the Landfill will bring more revenue than ever before to the Town coffers. Also at this time, the Town is asking the voters to consider turning over the Landfill to Energy Answers Corp. who own the SEMASS plant in Rochester, MA. and the Rochester Landfill. Anyone who has read the newspapers recently has no doubt noticed the problems that SEMASS and its subsidiaries have had with the State and local government. No one is debating the fact that the Landfill will cost money to run and right now money is in short supply.

I have had a lot of input from residents about charging everyone who uses the Landfill and it is obvious that those who use the Landfill have no problem supporting it. SEMASS is not the only alternative to closing the Landfill as some officials would have the residents believe. Careful planning and good management are half the battle of running a successful business. The Board was forced by the Selectmen and the Finance Committee to cut the hours of operation. I want the residents to understand that the Town is not saving any great amount of money by this move and in fact is losing money every day the Landfill is closed.

I would like to open the Landfill four days per week as soon as new stickers and tickets can be printed and a gate attendant can be hired. I believe that this is what the residents want and are entitled to. I am also working on a plan to make some money generated at the Landfill available to fund projects at the Landfill directly and also fund part of the rubbish contracts in the form of an enterprise account which could be discussed at Town Meeting on October 17, 1989, so that the residents do not have to suffer the pains of losing a very important service that many elderly residents who cannot get to the Landfill need.

One way of making acquaintances is to host international students during vacation periods at Tabor. These include two Headmaster holidays, Thanksgiving vacation, winter break, and spring break.

Families in the greater Marion community interested in getting to know international students during any of these times (exact dates available over the phone) are urged to contact Bart Nourse, Science Department, at 748-2000 (ext. 243). Tabor would be most grateful for such hospitality.

title of Unified Arts Coordinator for the District. She is responsible for all the vocal education at both the high school and junior high school, and oversees all aspects of the instrumental program. For four years she has also co-directed the musical productions at the junior high, which have become greatly anticipated and well-attended events.

Last year, in a project conceived with Center School music teacher Jean West, Mrs. Layton directed both the chorus and orchestra for the holiday performance of Vivaldi's "Gloria", which played to a maximum capacity house. The performance was so successful, not only as a stunningly beautiful concert, but also as a fund-raising event for the David S. Hagen Memorial Scholarship Fund, that these two ladies have again taken up the banner to present the seasonal favorite, Handel's "Messiah".

With rehearsals now underway, Mrs. Layton says she is very pleased with the progress exhibited by both her students and the adults involved in the project. "The 'Messiah' is a more complex piece than 'Gloria'. When the goals are set higher, you hope everyone can reach that much more. So far, they're doing fine."

Handel's "Messiah" will be presented December 6th in the high school auditorium. If you are male and interested in singing, the project is still seeking a larger bass and tenor section. Please contact Susan Layton at 758-4929.

Fairhaven Harvest Fair

A Harvest Fair will be held this Saturday, October 14th, from 9:30 a.m. until 3:00 p.m. at the Unitarian Memorial Church in Fairhaven.

Coffee and homemade muffins will be available from 9:30 a.m. to 3:00 p.m., and from noon on corn or quahog chowder plus homemade pies will be on sale for lunch.

The Fair will feature for the first time this year the sale of antiques and treasures from the stage in the Parish House.

There will be a great food table featuring many kinds of homemade "goodies"; jams and jellies as well as pies and cakes; also baked beans and potato salad.

The boutique table will offer a variety of handmade items; there will be next-to-new jewelry and slightly used books and magazines available; also linens to purchase. Attic treasures will be found in the basement of the Parish House; here is where you will be able to pick up real treasures at an incredibly low price. There will be two raffles.

A very special spot will be set aside for youngsters. At 2:00 p.m. a real old-fashioned Punch and Judy show will be offered. Dorothea Paull will control the puppets.

Mothers of Twins

The Greater New Bedford Mothers of Twins Club will hold its October meeting on Wednesday, October 18th at 7 p.m. at the home of Paula Butterfield, 25 Brant Beach Avenue, Mattapoisett. This month's speaker will be Mary Peterson, an R.N. and social worker, who sponsors Parents Anonymous for the Plymouth County area. For more information contact Paula at 758-9281 or Carolyn Overmyer at 758-3218.

FURNITURE SHOW

"A chair is a chair" is not necessarily true. A chair can be a work of art as will be demonstrated at the upcoming Furniture Show at the Marion Art Center. The exhibition opens on Friday, October 13th, 6 to 8 p.m., and features the work of three area artists: Kenton D. Hall of Westport, Robbi L. Staples and Donald E. Krawczyk of New Bedford. All three men have distinctive and original styles.

Staples, a designer and self-taught craftsperson in wood, is currently an instructor of furniture making at the Boston Architectural Center. Primarily a chair-

Project Grow

SCREENING FOR 3 and 4 YEAR OLDS

The second screening clinic of the school year will be held on Friday, October 27th, at the Sippican School. The screening is offered to three and four year old children residing in the towns of Marion, Mattapoisett and Rochester. The purpose of the screening is to identify young children with potential learning problems.

Funds to offer this monthly screening are provided by the Massachusetts Department of Education. Project GROW staff will conduct the screening in the pre-school classroom at the Sippican School.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is "on target", call 748-0100 for an appointment.

Screening clinics will be offered regularly throughout the school year.

care and Blue Cross/Blue Shield provider.

The policy of Hospice has always been to provide full at-home medical and social care to any terminally-ill person, regardless of ability to pay. The new approval will mean that Medicaid will reimburse Hospice for a part of the cost of caring for those patients who are not covered by other insurance.

The local Hospice service area includes Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Onset, Rochester, Sagamore and Wareham.

Grief Recovery Program

Wareham Area Hospice Association is presenting another in its series of grief recovery programs for bereaved persons. Meetings will be held on November 1, 8, 15, 21, 29 in Wareham at the First Congregational Church, 498 Main Street, (across from the green), from 2 to 4 p.m. The program is open to anyone who has suffered the loss of a loved one through death.

Designed to help bereaved persons come to terms with the loss, the course covers loss and grief, tasks of grieving, learning to cope, self-esteem and eventually saying goodbye. There is no charge other than a small fee to help cover the cost of materials.

Attendance is limited, and pre-registration is necessary. Those interested should call Jill Cockrell, Bereavement Coordinator, at the Wareham Area Hospice office at 295-8544 weekdays between 9 a.m. and 4 p.m.

his last three years and went undefeated (16-0) in 1986. Mr. Cameron was the Chess Team coach (1982-1985) with four consecutive matches, and a State Championship in 1985. As Math Team coach from 1976 - 1989, Old Rochester put together a streak of six consecutive league championships (1982 - 1986), eleven consecutive invitations to the State Mathematics Meet, eight consecutive invitations to the New England Mathematics Meet, 2nd and 3rd place finishes at the State Meet and a 3rd place finish at the New England Meet. Perfect scores of 800 have been received by students at Old Rochester on the SAT Math and/or the Math Achievement Exams of the College Board for the past six years. During the past six years individual students from Old Rochester have been honored by the Association of Teachers of Mathematics in Massachusetts three times as being the top mathematics students in the State. Students from Old Rochester have regularly received honors from the Massachusetts Association of Mathematics Leagues, the National Council of Supervisors of Mathematics, and the Mathematical Association of America for their outstanding performances on state and national mathematics contests and competitions.

Mr. Cameron has been actively involved with professional mathematics organizations (ATMIM, ATMNE, MAML, NCTM, NCSM, MAA) and numerous collaborative projects such as the SMU Collaborative Project in Mathematics and Science, the Raytheon - Massachusetts Association of Mathematics Leagues (MAML) Collaborative, Project Contemporary Competitiveness, Pre-NU-PRIME (Northeastern University and Sippican Ocean Systems). Mr. Cameron has held leadership positions in mathematics which include: MAML (State Contest

Comedian in Benefit Show

Comedian Jimmy Tingle, who has appeared in nightclubs and at colleges across the country, will give a benefit performance at 9 p.m. October 19th in the Campus Center auditorium, Southeastern Massachusetts University.

Mr. Tingle is a Cambridge native and 1977 graduate of SMU. He has been a professional comedian since 1980. He has appeared on the Tonight Show and is one of four featured comics on the A & M record, "Strange Bedfellows". A reviewer for Variety magazine wrote recently: "Jim Tingle is consistently on the money ...capable of portraying a wide range of imaginative, laugh-getting personalities."

Tingle's appearance, which marks the start of the Homecoming Weekend at SMU, is sponsored by the Alumni Association and Student Activities Board. Proceeds will benefit the alumni scholarship fund.

Tickets are $3. for SMU students, $5. for alumni, staff and senior citizens, and $8. for the general public. Tickets are available in advance or at the door. For more information call 999-8136.

60's Music to Benefit Ernestina

BENEFIT CONCERT BY ROCK 'N'ROLL STARS RICHIE HAVENS AND JOHN SEBASTIAN

Remember what it was like to be a child of the 60s?

Tie-dye shirts, black lights and velvet paintings, paisley prints? Peace marches, sit-ins, macrobiotic lunches, Janis Joplin, long hair, Haight-Asbury and Woodstock?

So, you may have thrown out your love beads, but you still can recapture that 60s feeling at an October 21st benefit concert for New Bedford's Schooner Ernestina and the Zeiterion Theatre.

"We were looking for a fun idea to benefit both organizations", said Joe Barry, who serves on both the boards of the Ernestina and the Zeiterion Theatre and is coordinator of the event. "We're planning the night to be similar to the Zeiterion Theatre's successful M*A*S*H party benefit of a few years ago. In the 20th anniversary year of Woodstock, An Evening of Peace and Love seemed to be a good way to celebrate the humor and ideals of the 60s."

Several Greater New Bedford area restaurants and businesses are donating their services to turn the evening into a legal trip back to the 60s. Plenty of food, like a scallop and brown rice casserole as well as vegetarian lasagna (the two dinners created especially for this event by Freestone's Restaurant and Bar) will be served dockside at the Ernestina, underneath a tent that should remind you of your college dorm room. Appetizers, salads and desserts, as well as a few surprises, are being donated by Muldoon's, Cerulli's, Twin Piers, Bridge Street Cafe/Sea Horse Pub and Pena Branca. A cash bar with wine and beer also will be available on

The hosts for the Evening of Peace and Love are Wes McShay of WFHN and Jim Van, the host of WHJY's Rock 'n' Roll Root Cellar. A disc jockey will be providing music dockside, as well. Van and McShay also will host a trivia contest and give away prizes of 60s memorabilia during the concert intermission. The concert is scheduled to begin at approximately 8:30 p.m.

John Sebastian, whose group the Lovin' Spoonful was one of the premier rock groups of the 60s, will open the Zeiterion concert. Sebastian's happy-go-lucky pop sound is always engaging with its lean flexible, melodies and sentimental lyrics.

Singer, songwriter, as well as poet, sculptor, and actor, Richie Havens is a rock 'n' roll legend. From Bedford-Stuyvesant to Woodstock to Greenwich Village, to college campuses, coffee houses and concert halls around the world, Havens has performed consistently since the 1960s.

So, tear it, tie-dye it and cover it with beads and cheap zodiac medallions and wear it to An Evening of Peace and Love Saturday, October 21st. Tickets for the evening are $50.; tickets for the 8:30 p.m. Zeiterion concert are $25. Tickets are available at the Zeiterion box office at 994-2900, and at all Ticketmaster locations or by calling Ticketmaster

in a characterization of one of our most memorable presidents. The program will take place on Sunday afternoon, October 15th, at 3:00 p.m. at the Buttonwood Community Branch Library, 745 Rockdale Avenue; 991-6216.

This one-man show is a combination of history, drama and entertainment. The force of President Theodore Roosevelt's personality and leadership style made a major impact upon our nation, placing him in the hall of fame with Washington, Jefferson and Lincoln on the Mount Rushmore Monument. Besides being president, "Teddy" was a cowboy, soldier, naturalist, historian, father and statesman.

When he refused to shoot a little bear the nickname of "Teddy Bear" was created, and one will be given away that day as a door prize. Come and enjoy this versatile president's ways and words. He lived his own advice "life is a great adventure, and I want to say to you, accept it in such a spirit".

Coming to Zeiterion

McLAIN FAMILY BAND

The musically-gifted McLain Family Band winds down over 30 years of touring performances with its northeast appearance at New Bedford's Zeiterion Theatre on October 20th at 8 p.m. For the sixth year The New Bedford Standard-Times is sponsoring an evening of family musical entertainment.

The McLain Family Band is more aptly described as traditional American music, since it plays everything from bluegrass favorite "Orange Blossom Special" to Appalachia folk ballads to western swing. The group also has teamed up with numerous symphony orchestras for rousing Pops certs, including orchestras in Cleveland, Atlanta, Cincinnati, Detroit and Pittsburgh.

You don't have to like country music to enjoy the McLains; their contagious energy and sheer musical talent please all kinds of music lovers. Like most bluegrass bands, the McLains are fluent on several instruments. Audiences marvel to see band members pass around banjos and bass fiddles like dinner plates.

In its 20-year career, the McLain Family Band has become internationally known as one of the most spontaneous, creative and spirited of groups. Begun as a pastime for Raymond and Betty McLain and their children, the family band grew in fame rapidly eventually playing in all 50 states and 62 foreign countries, including Taiwan, Japan, Hungary and Czechoslovakia.

The McLains have performed at Carnegie Hall, the Metropolitan Museum, The Ken-

MATTAPOISETT WATER AND SEWER DEPARTMENT NOTICE
SEWER RATE CHANGES

The Board of Water/Sewer Commissioners regrets that it has become necessary to increase sewer rates in order not to add to the property tax burden. Changes are as follows:

Minimum charge each 6 month period to become $45.00 for 3,000 cubic feet usage. (22,440 gallons)

Excess charge to become $15.00 per 1,000 cubic feet. (7,480 gallons)

The above is effective immediately for both the minimum and excess charges.

Helping You Stay Healthy..Tobey Hospital

Filling Up with Fiber

Adding fiber to your diet is a real plus --
for your health. Fiber can help reduce your risk for certain types of cancer, lower cholesterol, and help with weight reduction.

IT'S GOOD FOR YOU!!!

It's easy to include fiber in your diet.For a free informational packet, including recipes, call 295-0880, Ext.205

Tobey Hospital, Inc.
43 High Street,
Wareham, MA. 02571

21st and 22nd, from 10 a.m. to 5 p.m.

Visitors will almost be able to smell the grease paint and hear the roar of the crowd when these replica tents go up. Both youngsters and the young at heart will delight in this unusual display.

Many exhibits will also include circus posters, model trains, and a variety of other circus items. Craftsmen and circus model collectors alike will be on hand to give demonstrations all day during the two day show.

The Museum will be closing for the season on October 29th so a visit during this circus weekends should include a visit to all the seasonal exhibits such as: Arts of The Federal Period, Lewis & Clark: The Corps of Discovery, Members as Collectors, and the British Military Uniforms of La Belle Epoque. The final exhibition in the Old Barn Gallery, "Florals and Botanicals", the paintings of Brian Doherty of Marshfield, will also be open to the public during museum hours.

Heritage Plantation is 3 miles from the Cape Cod Sagamore Bridge, exit on Route 6A, then go right on Route 130 to Pine street and the Museum.

Tickets for the day are good for all exhibits and events held on the grounds. Admission prices are $7. for adults, $6. for senior citizens, and all children 11 and under are free.

Parents' Advisory Council

Chapter I Parents' Advisory Council first meeting of the season will be Wednesday, October 18th, at 7:30 p.m. at the Old Rochester Regional Junior High School Cafetorium.

SMU Chorus

SMU NAMES CHORAL GROUP DIRECTOR

Marion resident Peter West has been named director of Southeastern Massachusetts University's chorus.

Mr. West holds a master's degree in conducting from the University of Lowell, where he was director of the women's chorus, and has also served as assistant conductor of the Masterworks Chorale in Cambridge. He taught choral music in the Fairhaven school system for 17 years and has directed the Sippican Choral Society and the choir at St. Gabriel's Church, Marion.

Places are still available in the chorus, which meets on Mondays from 4 to 6 p.m. in Room 104 of the Visual and Performing Arts Building. Membership is open to the general public. For information call 999-8568.

Helen Hayes to Appear at SMU

Helen Hayes, the first lady of American theater, will appear on stage at Southeastern Massachusetts University October 18th in the Campus Center Main Auditorium. Miss Hayes, 89, will reminisce about her eight decades in the theater.

Tickets for the 8 p.m. performance are as follows: general public, $12. for orchestra seats and $9. for balcony seats; senior citizens with IDs are $10. for orchestra and $7. for balcony. Discounts

Born October 10, 1900 in Washington, D.C., Miss Hayes made her stage debut six years later. At nine she appeared on Broadway for the first time with Lew Fields in "Old Dutch", a Victor Herbert musical. She played with John Drew at 12; with William Gillette in "Dear Brutus" in 1919; with Alfred Lunt in "Clarence", by Booth Tarkington in 1920; and in "The Ladies" by George Kaufman and Marc Connelly in 1922.

Among her most famous stage performances are "Victoria Regina", "Mary of Scotland", "Harriet", "Coquette", "Time Remembered", "Caesar and Cleopatra", "Twelfth Night", "What Every Woman Knows", "Happy Birthday", "Touch of the Poet", "The Show Off", and "Harvey" with James Stewart.

In 1973 Miss Hayes marked her first television series, "The Snoop Sisters" in which she co-starred with Mildred Natwick. In 1980 her documentary, "Miles to Go Before We Sleep", won her a Peabody Medal. In 1984 and 1985 she played Agatha Christie's Miss Marple in the mystery writer's novels "A Caribbean Mystery" and "Murder with Mirrors."

Throughout her career, Miss Hayes has been involved with radio. In 1938 she had a successful NBC show called "The New Penny". Later there was "Bambi", "The Helen Hayes Theater", "Electric Theater", and "Weekday". Since 1981 she has been narrating a daily commentary to older people, "The Best Years", which is syndicated by about 200 stations around the country.

"The Best Years" is also the title of the most recent of her five best-selling books.

Miss Hayes' appearance is sponsored by the Cultural Affairs Committee of the SMU

BEACH ECOLOGY - WEEKLY WALK

A beach is never the same place twice.

On Sunday, October 22nd, at 1:30 p.m. Martha Peterson of the Lloyd Center for Environmental Studies will lead a walk on beach ecology. The walk will begin at the Lloyd Center where participants will form carpools and travel to Barney's Joy, a local barrier beach. The walk is open to the public and is free of charge, but walkers must pre-register. For more information and registration call the Lloyd Center at 990-0505.

Shaped by the forces of wind, waves, and tides, beaches are constantly changing. These drifting sands and salty, desert-like conditions make a unique habitat for plants and animals. The physical forces which shape the beach as well as how beach inhabitants manage to live in this environment will be discussed in this walk.

The Lloyd Center offers weekly walks most Sundays. Upcoming Lloyd Center events include: On October 29, a walk titled "Fall Leaves-Why They Change Color"; on November 5, a walk titled "Winter Waterfowl"; and from October 7 to January 15 an art show exhibit at the Lloyd Center titled "Dartmouth's Rivers - From the Cedar Swamps to Buzzards Bay". For more information on these or any other programs call the Lloyd Center at 990-0505.

NEW VA POLICY
IMPROVES CEMETERY SCHEDULING

Improved scheduling procedures for the National Cemetery system that will provide weekend and holiday service to funeral directors and families were announced recently by Secretary of Veterans' Affairs Edward J. Derwinski.

The new service, in effect for the 113 cemeteries operated by the Department of Veterans' Affairs (VA), will allow burial arrangements to be made during weekends and holidays when cemetery offices are normally closed, replacing the system that limited scheduling to weekday business hours.

Derwinski said the change in policy will

prevent delays in making cemetery arrangements when a death occurs late in the week or on a weekend or holiday.

To implement the system, VA will refer telephone calls made after offices close on Friday or prior to holidays to staffs at three major national cemeteries that are open every day of the year.

A funeral director calling the Massachusetts National Cemetery when the office is closed will receive a recorded message on the telephone answering machine to call the Calverton National Cemetery, Calverton, Long Island, New York at (516) 727-5410. Staff members will be on duty there weekends and holidays. They will assist funeral directors in verifying the veteran's eligibility, and then will schedule the burial at the Massachusetts National Cemetery in Bourne, Massachusetts.

Detailed information concerning eligibility is available from most funeral directors, National Cemetery offices or the VA Regional Office at 380 Westminster Mall, Providence, Rhode Island. To notify the VA, telephone toll-free at 1-800-322-0230. In Massachusetts call 1-800-556-3893.

Upper Cape Vocational Technical, a Vocational Education Day will be held on Wednesday, October 18th. Students and staff members from Old Colony and Upper Cape will construct various displays and exhibits in the junior high gymnasium. During the day seventh and eighth grade students will have the opportunity to visit the gymnasium and view the exhibits. A similar program was conducted two years ago.

The purpose of the activity is to expose the junior high students to the array of educational opportunities available to youngsters of Marion, Mattapoisett, and Rochester. It is hoped that this type of program will assist youngsters in making an appropriate career choice. Fifteen career alternatives will be presented including such diverse careers as Welding, Health Careers, Drafting, Offset Printing, and Data Processing.

Parents and residents of the district are encouraged to view the exhibit in the evening from 6:00 to 8:00 p.m., when the gymnasium will be open to the general public.

Old Colony plans similar exhibits in November at Ford Junior High School and Carver High School. Students residing in Mattapoisett and Rochester are eligible to enroll at Old Colony, while Marion students may attend Upper Cape.

SPED PARENT ADVISORY COUNCIL

The Old Colony Special Needs Parent Advisory Council is reorganizing for the 1989-1990 school year. The council assists the Special Education Department in the development of the school's Annual Program Plan for Special Education. In addition the Council acts in an advisory capacity by conducting periodic meetings.

Parents of Special Education students attending Old Colony interested in joining the Council or requesting further information should contact either Thomas Hibbert, Jr., Special Need Coordinator, or David J. Ferreira, Assistant Superintendent-Director, at 763-8011.
